

Filebacks

Filebacks provide an economical system for organizing and storing reports within a file folder. We produce side and bottom tab filebacks with fasteners that allow select pages to be added or removed without disturbing the existing documents. Transfer Tape Filebacks have a self-adhesive strip and two fasteners that can be easily added to any chart or folder.

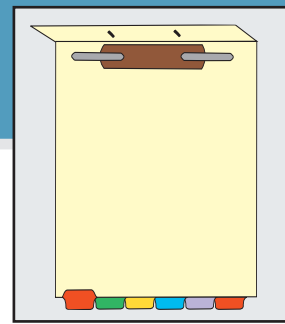

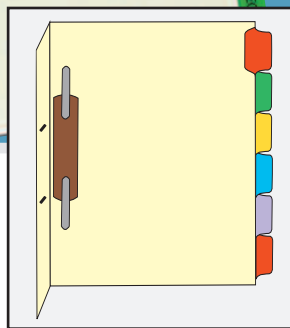

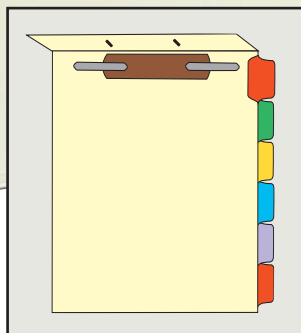

Standard Fileback Specifications:

- 9 1/2 or 11 pt. Ivory
- Top or Side Scored Hinge
- 3/8" Side or Bottom Tab Extension
- Reinforced Tabs (Clear or Color)
- Slot Punched
- Clear Reinforced Binding Edge
- Printed Black Ink
